FINE BENCH MADE FURNITURE

---

Attach Center Apron (D) to the Side Shelf Assemblies (B) & (C) by inserting dowels into the dowel cutouts. Completely tighten universal connectors to the Base Assembly (A).

Place Top Panel (E) on the unit and attach with universal connectors.

Insert Side Panels (F) one-fourth into the cabinet. Cabinet will hold panels in place. Attach the Main Shelf (G) to the Side Panels (F) with screws as shown.
