# Bausman Company

Introducing our new #6368 Desk and # 6869 Credenza.

Bausman Company

Features include a remote control pop-up monitor with manual swivel. Two pop-out dictation pull-outs.

Bausman Company

The front panels of the desk open with hidden touch latches. One side is for useful storage, the other for access to the pop-up mechanism and easy access for wiring your computer.

Bausman Company

Each pedestal features a hidden drawer at the bottom. Keyboard drop down pencil drawer in center.

A file drawer and two box drawers with soft stop self closing drawer slides in left pedestal.

CPU with easy wiring access from front doors.

Scanner pullout at top right pedestal.

The credenza can house a built in refrigerator if required. The other two doors house useful pullout trays. We can customize to your needs
